**THE
WANDERERS
FRIENDSHIP CUP**

The Wanderers Friendship Cup was first established in 2013 as a youth soccer and health education initiative in The Gambia. It provides young Gambians with live-saving skills and knowledge, enabling them to live healthier and happier lives, as well as the opportunity to enjoy their right to play. The Wanderers Group are proud to host the 6th annual U12 Wanderers Friendship Cup in NB, providing our young soccer stars with an opportunity for early summer competition and fun.
